

Waunakee High School

Non-Athletic Competition League (also known as, NaCl, "Salt," or Gaming Club)

29 April 2011

Dear Parent/Guardian,

The Waunakee Computer Gaming club will be playing computer games after school, some of which may be rated "Teen" or "Mature" by the ESRB, or Entertainment Software Ratings Board. According to school board policy, we require your permission to allow your son or daughter to play these games. If you are comfortable with allowing your child to play M rated games while under adult supervision, such as Halo, please sign at the bottom of this sheet. If you do not want your child playing M rated games, there will be some other alternative, non-M rated games to play, but please be aware that other students will be playing M rated games in the club.

Under no circumstances will we be playing games the ESRB has rated "Adults Only."

Thank you.

I grant my permission to allow my child to play T- and M-rated games for the Waunakee Computer Gaming Club.
