

Orange Network Challenge

Artifact Assignment

- Why is this assignment important?
- If you were the coach of a team that played this game competitively, what would be your game plan?
- What were some of the issues you had to overcome to meet the challenge?
- What made it easier?
- What role did cooperation play in the challenge?
- What effect would a greedy player have?
- Draw a diagram of the networks you created during this exercise. No, really, draw them.
