GUILD Epic Guild Banner

Requires Completion of "Guild Banner", "Guild Logo", and "Guild Words"

Create an epic banner for your guild. An epic banner should be large and flashy to demonstrate to the world how awesome your guild is and to strike fear in the heart of your enemies. This may or may include the use of poster board, fabric, a bedazzler, etc. Note that not just any banner will do – insufficiently epic banners will be rejected for improvement.
