GUILD Guild Banner

Create a banner for your guild. Your banner should be as awesome as possible - it will be hung in the classroom. Fabric banners are preferable to paper banners. Your guild banner may be designed however you wish so long as they are school-appropriate. Your banner must be at least 8.5" x 11" (or 11" x 8.5").

Get approval for your banner from your instructor and put it on your alliance board.
